

Rotary CLUB OF ROMSEY TEST

The Rotary Club of Romsey Test has around 55 members and was established back in 1990. We are part of a global Rotary network of 1.4m neighbours, friends, leaders and problem solvers who see a world where people unite and take action to create lasting change across our communities and across the Globe.

How could I get involved?

We are always on the lookout for new members. We meet every Wednesday evening in the Royal British Legion. We have also started organising some breakfast meetings at 8am in Youth in Romsey Building by the Rapids. We have lots of committees you could join so really it depends on what you are interested in. From Youth to Community to Communications or fundraising. We also have separate committees for our larger events like Walk the Test Way and the Relay Marathon.

If, however, you would just like to volunteer at one of our events then we would love to hear from you too.
